

## MONDAY NIGHT ADULT PAIRS COMPETITION

### TEAMS & DIVISIONS

- This is a 2-a-side Champion of the Court competition.
- Each player will play with a different partner for each match. Players hold on to the points they earn to decide the overall winner.
- If a player comes last in their division, they risk being relegated the following week. Likewise, if a player wins their division, they are likely to go up a division.
- We aim to cater for Advanced, Intermediate and Beginner's on different courts as well as men and women. Women are allowed to play with the men.
- We currently only have room for 25 players.

### GAME DETAILS

- Total time of each evening is 1.5 hours. Players will play 3-4 x 20-25 minute games and may be required to ref 1x game each night.
- To start the game, captains play 'paper, scissors, rock'. The winner can choose side or serve. The loser can then choose the remaining option (side or serve).
- Scoring is old school 'sideout'. (Can only score a point when serving)
- Games are scored by total points (no cap), change ends every 5 points.
- If there is a dispute over a decision, the umpires call is final. If the umpire is unsure, the point is to be replayed. (We are all here for a good time – so let's not get too carried away 😊)
- Each team is allowed 1x 30sec time-out BUT NOT in the final 3 minutes of a game.

### STRUCTURAL RULES

- A serve MAY NOT touch the net. (In line with Sideout scoring)
- The server's foot may not touch the base line in the service motion.
- Players are NOT allowed to touch the net during a rally.
- If the ball touches the court line – it is deemed in.

### PLAYING THE BALL

- Setting off the serve IS NOT ALLOWED.
- No 'double contacts' or carries.
- No tipping the ball over the net with fingertips.
- A ball being set over the net MUST be perpendicular to the setter's shoulders.
- A Block COUNTS as a contact (only 2 contacts remain after a block touch).
